REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000

I am writing in response to the request you made to BBSRC under the Freedom of Information Act, which was received on Wednesday 14 April 2016.

Statement of information requested

The information I wish to request is as follows:

1. By species: How many animals were used in research by "The Public Authority" from January 1st 2015 to December 31st 2015?

2. Minutes, reports and correspondence of any Animal Welfare & Ethical Review Board ("AWERB"), formerly known as the Ethical Review Committee ("ERC"), or sub-committee, including but not limited to departmental committees, from 2015, where these relate to experimentation or other work involving captive live animals, in addition to any guidance issued by these committees at any time if currently in use. For the avoidance of doubt the term ‘committee’ is used in broad definition and is inclusive of boards, groups or similarly natured structural enterprises.

Background
