

ANNEX: Canada

Please use this Country Annex in addition to the standard International Partnering Awards guidelines.

Scope:

Up to £50,000 is available over a period of 4 years. There are no restrictions on the scientific area for applications to the Canada Partnering Awards (other than that it must fall within our remit).

Highlight:

Applications for the 2019 Canada Partnering Awards are particularly encouraged in the following topic areas:

- Antimicrobial resistance;
- Plant health and disease;
- Animal health and disease;
- Artificial Intelligence in bioscience;
- Industrial biotechnology;
- Synthetic biology;
- The microbiome.

Application Checklist:

Please refer to this checklist in addition to the checklist in the standard guidance document.
