

## **ANNEX: Global Partnering Awards**

*Please use this 'Global Partnering Award' Annex in addition to the standard International Partnering Awards guidelines.*

### **Purpose:**

While this scheme will consider applications for partnership activities with any country not currently covered by individual schemes, BBSRC particularly welcomes applications which encourage partnerships with research groups and programmes in CGIAR Centres (Consultative Group on International Agriculture Research Centres) and with Argentina.

A list of awards funded through previous calls is available at:

<http://www.bbsrc.ac.uk/documents/global-previous-awards-pdf/>

### **Scope:**

Up to £30,000 is available over a period of 4 years.

### **Application Checklist:**

*Please refer to this checklist in addition to the checklist in the standard guidance document.*

- ✓ The project title starts with the country that you are proposing to have your partnership with.

### **CGIAR Centres (Consultative Group on International Agriculture Research Centres).**

CGIAR has 15 research centres which are independent, not-for-profit research organisations innovating on behalf of people in developing countries. Further information can be found at:

<http://www.cgiar.org>.

- Africa Rice Centre, (AfricaRice) Cotonou, Benin.
- Bioversity International, Rome, Italy.
- Centre for International Forestry Research, (CIFOR) Bogor, Indonesia.
- International Centre for Agricultural Research in the Dry Areas, (ICARDA) Beirut, Lebanon.
- International Centre for Tropical Agriculture, (CIAT) Cali, Colombia.
- International Institute of Tropical Agriculture, (IITA) Ibadan, Nigeria.
- International Livestock Research Institute, (ILRI) Nairobi, Kenya.
- International Maize and Wheat Improvement Centre, Mexico City, Mexico.
- International Potato Centre, (CIP) Lima, Peru.
- International Rice Research Institute, (IRRI) Los Banos, Philippines.
- International Water Management Institute, (IWMI) Colombo, Sri Lanka.
- World Agroforestry Centre, (ICRAF) Nairobi, Kenya.
- WorldFish, Penang, Malaysia.

The following CGIAR Centres are based in countries covered by existing Partnering Award schemes. Applicants who wish to develop partnerships with research groups based at these institutes should apply to the appropriate country specific Partnering Award call:

- International Crops Research Institute for the Semi-Arid Tropics, (ICRISAT) Patancheru, India.
- International Food Policy Research Institute, (IFPRI). Washington DC, USA.

### **The Newton Fund and the Global Challenge Research Fund**

The Newton Fund and the Global Challenge Research Fund (GCRF) offer additional opportunities for working with other countries. Further details about Newton Fund partnering countries are available online: <http://www.newtonfund.ac.uk/about/about-partnering-countries/>. GCRF forms part of the UK's Official Development Assistance (ODA) commitment. The DAC List of ODA Recipients shows all countries and territories eligible to receive ODA: <http://www.oecd.org/dac/stats/daclist.htm>.
